**Sigma-Byte accredited Elite BusinessPartner™ of CommScope®  
Solutions, for its SYSTIMAX® range of Products & Solutions**

Mumbai, India: June 18, 2008 – Sigma-Byte Computers Pvt. Ltd., a leading provider of network infrastructure solutions, has been accredited with the “Elite BusinessPartner™” status of CommScope® Solutions, in a ceremony held at Bangalore.

The Elite status is the highest level of honor given by CommScope® to its partners, who consistently meet standards and demonstrate noticeable expertise in customer deployments. This title positions Sigma-Byte on a higher value chain to deliver CommScope® network infrastructure solutions, while ensuring higher customer satisfaction, quality, performance and reliability to the end-user.

The award was presented by Mr. V. Prasanna Kumar, Regional Sales Director of India & SAARC for CommScope® Enterprise Division, to Mr. Ketan Kothari, Managing Director of Sigma-Byte Computers Pvt. Ltd. In addition to the Elite accreditation, CommScope® has also launched new training and marketing programs to expand its support to Sigma-Byte.

On this occasion Mr. Kumar said, "Choosing a BusinessPartner™ that has the right combination of experience, expertise and market-coverage to meet customer needs is invaluable. Our newly enhanced BusinessPartner™ program will give CommScope® customers increased confidence in the partner they choose, to implement CommScope® solutions."

He further added, "Sigma-Byte has been a committed BusinessPartner™ in delivering our Systimax® portfolio of products and solutions in India, over the past decade. Sigma-Byte is also amongst the first to join our limited list of Elite BusinessPartners™."

Referring to the stringent processes of accreditation he said, "We are very proud that Sigma-Byte has been accredited with the highly coveted Elite BusinessPartner™ status of CommScope®, which has demanding criteria. However it did not come as a surprise to us, considering the high level of commitment and loyalty Sigma-Byte has shown CommScope in the past."

On receiving this accreditation, Mr. Ketan Kothari – Managing Director, Sigma-Byte said, "It is a privilege to be an Elite Business Partner of CommScope-Systimax Solutions. I am sure this status will further strengthen the relationship that we have for last 13 years and will help us in providing more value to our customers."

## About CommScope

CommScope®, Inc. (NYSE: CTV – [www.commscope.com](http://www.commscope.com)) is a world leader in infrastructure solutions for communication networks. Through its Andrew Wireless Solutions® brand it is a global leader in radio frequency subsystem solutions for wireless networks.
